To all Atlas Air Customers

Increase of Fuel Surcharge

April 25th, 2019

Dear Valued Atlas Customers,

We are being confronted by the steady increase of prices for jet fuel within the Atlas Air Network in South America, which forces us to increase our fuel surcharge in the Americas. Commencing on Thursday, May 9th, 2019, the fuel surcharge will be:

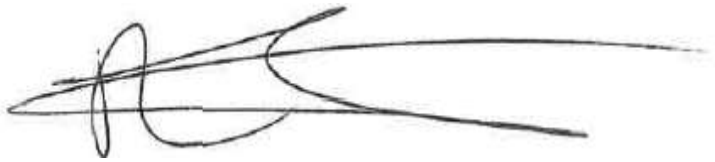
Long haul North America to South America (EZE/SCL/VCP) $0.30 per kg.

Short haul North America to South America (LIM/UIO/BOG/MAO) $0.10 per kg.

The surcharge is applicable to the chargeable weight of the shipment, with a $5.00 MIN charge.

We thank you for your continued support.

Sincerely,



Rogier Fetter
Vice President
Global Charter Sales and South America
