Fuel Surcharge
January 21st 2020

Dear Valued Customer:

An increase in fuel prices has triggered an increment in the fuel surcharge, which is an additional USD 0.10 per kilo in North America.

As a direct result, **LATAM Cargo carriers are increasing their fuel surcharge to USD 0.50 per kilo, effective January 21st, 2020, applicable to all plus destinations.**

We will continue to monitor fuel prices and make adjustments accordingly.

Thank you for your understanding and continued support.

Best Regards,
Gabriel Oliva
Senior Vice President Commercial North America, Europe and Asia
